ALEXANDRA ACADEMY TRUST

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 AUGUST 2019

The trustees present their annual report together with the financial statements and auditor's report of the charitable company for the period 1 September 2018 to 31 August 2019. The annual report serves the purposes of both a trustees' report and a directors' report under company law.

The trust operates a primary academy for pupils aged 4 to 11 and a day nursery for children from 0 to 4 years, serving a catchment area in Cheshire East. The planned admission number (PAN) was increased to 90 with effect from September 2017 and the age range of the academy was changed to 2 to 11 prior to the academy successfully winning the tender to run the onsite day nursery. The current pupil capacity for academic year 2019/20 is 510 (90 PAN in Y2, Y1 & YR & 60 PAN in Yr 3-6) and the number on roll at the school census in October 2019 was 452. The number of daily child care places available at the nursery is 50. Current numbers on roll are 63.

Structure, governance and management

Constitution

The academy trust is a company limited by guarantee and an exempt charity. The charitable company's Memorandum and Articles of Association are the primary governing documents of the academy trust. The trustees of Alexandra Academy Trust are also the directors of the charitable company for the purposes of company law. The charitable company is known as Alexandra Academy Trust.

Details of the trustees who served during the period and to the date these accounts are approved are included in the reference and administrative details on page 1.

Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Trustees' indemnities

The academy is a member of the Department for Education's risk protection arrangements (RPA), an alternative to commercial insurance where UK government funds cover losses that arise. The scheme protects trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business, and provides cover up to £10,000,000. It is not possible to quantify the trustees' and officers' indemnity element from the overall costs of the RPA scheme.

Method of recruitment and appointment or election of trustees

The members of the academy trust shall comprise:-

- The signatories to the memorandum
- Any person appointed under a special resolution

The members agree by passing a special resolution in writing to appoint such additional members as they think fit and may agree by passing a special resolution in writing to remove any such additional members, provided that such appointment or removal is in the interests of the academy trust.

Any new trustee/director would be appointed based on an assessment of their skills set.

Co-opted trustees/directors are nominated and seconded by members of the board. Parent trustees/directors are nominated and seconded by parents/carers. Where there are more nominations than vacancies, an election is held.

Other than the principal (accounting officer), there will be no staff trustees/directors on the board

Policies and procedures adopted for the induction and training of trustees

Trustees have access to a comprehensive training package and receive full induction in accordance with the academy's trustees' induction document.

ALEXANDRA ACADEMY TRUST

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 AUGUST 2019

Organisational structure

The principal is the accounting officer. All members delegate the day to day running of the academy to the board of trustees (with the exception of appointing two members of the board). The board of trustees/directors delegates certain responsibilities to the Behaviour, Safety & Inclusion Committee, Leadership & Management Committee and the Teaching & Progress Committee.

Arrangements for setting pay and remuneration of key management personnel

The setting of the pay and remuneration of the academy's key management personnel is completed using the School Teachers' Pay & Conditions Document (STPCD). The pay of key management personnel is benchmarked against local schools and academies and is in line with DfE recommendations.

Trade union facility time

Relevant union officials – NIL

Facility time spent on trade union activities – NIL

Percentage of pay bill spent on facility time – NIL

Paid trade union activities – NIL

Related parties and other connected charities and organisations

Monks Coppenhall Academy is currently the only academy within the Alexandra Academy Trust. The academy trust formed a trading subsidiary, Monks Coppenhall Academy Day Nursery Limited, a company limited by guarantee, on 23 February 2018. The trading subsidiary manages the on-site day nursery. The academy trust is not connected to, or related to, any other organisations as defined by the relevant Charities SORP. The members, trustees, senior staff and their families are regarded as related parties in accordance with the definition in the Charities SORP. All transactions with such parties are conducted in accordance with the academy financial regulations and procurement procedures.

Objectives and activities

Objects and aims

The objects of the academy, as laid down in the Articles of Association, are to advance, for the public benefit, education in the United Kingdom, in particular by establishing, maintaining, carrying on, managing and developing a school offering a broad and balanced curriculum.

Objectives, strategies and activities

At Alexandra Academy Trust we aim 'To be the best we can in mind, body & spirit'

To this end the activities provide:

- Teaching and learning for all children to ensure they reach their full potential
- Tracking of pupil progress, aiming to diminish the gap between those in receipt of pupil premium and those not in receipt nationally
- Continuing to develop leadership through continued professional development opportunities
- Providing extended school provision including a range of after school activities
- Providing high quality learning experiences across the academy and day nursery
- Promoting British Values throughout the curriculum

The aim of the day nursery is 'Working together to create better futures'. The academy responded to an open market tender process to operate the onsite day nursery and was successful. The rationale behind this was to improve outcomes for children on entry to school.

Due to high quality training, environment and resources the nursery is now on an upward trajectory. On entry to the nursery the children are generally significantly below age related expectations. We have employed highly skilled practitioners to improve outcomes for children. Through continuous staff training and modelling and high quality resources, it is anticipated that the nursery will continue to improve.

Public benefit

The trustees confirm they have referred to the guidance contained in the Charity Commission's guidance on public benefit.

ALEXANDRA ACADEMY TRUST

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

Key performance indicators

Analysis of pupil data and test results confirm that the board of trustees has utilised its financial resources to ensure that the vast majority of children meet the expected standard or above.

The academy carries out rigorous external validation commissioned through ECM Consultants. As part of this service an external learning partner, a Lead Ofsted Inspector, validates internal judgements and supports the academy in identifying areas to further develop. Results reported above confirm an upward trend in both achievement and attainment.

Pupil attendance is closely monitored and was 96.2% for academic year 2018/19 which is marginally above national at 96.1%. However, persistent absence has shown a decline and is 6.5% compared to 8.2% nationally. Pupil attendance will continue to be closely monitored during academic year 2019/20. The academy has commissioned an external educational welfare officer to support with further improvements.

Going concern

After making appropriate enquiries, the board of trustees has a reasonable expectation that the academy trust has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the statement of accounting policies.

Financial review

Most of the academy trust's income is received from the ESFA in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the ESFA during the year ended 31 August 2019 and the associated expenditure are shown as restricted funds in the statement of financial activities.

During the year ended 31 August 2019, total expenditure was £2,856,000. Recurrent grant funding from the ESFA together with other incoming resources totalled £3,247,000. The excess of income over expenditure for the year was £391,000.

As at 31 August 2019 the value of net current assets was £662,000. The assets were used exclusively for providing education and the associated support services to the children of the academy. Total funds held at the balance sheet date were £4,998,000.

The net movement in funds during the year was £96,000.

Reserves policy

Trustees/directors monitor levels of reserves in financial reports provided by the business manager and in the annual financial statements prepared by the auditor. Trustees/directors look to ensure that a prudent level of reserves is maintained, bearing in mind the recurrent spending needs to ensure high quality provision.

In deciding the level of reserves trustees/directors will consider the following:

- one-month salary bill;
- the school's annual budget;
- the need for any large project spends such as facilities development or building condition needs;
- any uncertainty, turbulence or expected reduction in funding arrangements, including the level of transitional protection within the school funding and its expiry date; and
- anticipated funding over the next three years.

For 2019/20 and 2020/21 the trustees/directors have noted reductions in reserve levels due to budget pressures caused by increased employer costs and the effect of lagged per pupil funding.

This will be monitored closely and plans put in place to address in year deficits and return reserves to a reasonable level by 2021/22.

To address the reserves deficit in the nursery, the nursery directors have agreed to raise the nursery fees from September 2019 and to charge for school meals. In addition, the hours of the 'school day' provision have been extended, meaning that 15 funded hours will be used over 2 days rather than 3 days per week. It is anticipated that this will increase occupancy as more children will be able to access the funded hours over the week. Future budget forecasts indicate that these actions should return the funds to credit by 2020/2021.

ALEXANDRA ACADEMY TRUST

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

As at 31 August 2019, the academy had a balance of £161,000 in restricted general reserves and a balance of £146,000 in unrestricted reserves, £42,000 being unrestricted reserves of the academy and (£22,000) being unrestricted reserves of the day nursery.

Investment policy

In accordance with our Treasury Management Policy, monies surplus to the working requirements shall be invested in term deposits with Lloyds Bank. The academy will not take out any long term investments until after the expansion programme has been finally completed and a reliable cash flow pattern has been established. Monies will only be paid into term deposits not exceeding 6 months.

Principal risks and uncertainties

A risk register which is maintained at the academy is reviewed at least annually by the Leadership & Management Committee and more frequently where necessary. The risk register identifies the key risks, the likelihood of those risks occurring, their potential impact on the academy and the actions being taken to reduce and mitigate risks. Risks are prioritised using a consistent scoring system.

Outlined below is a description of the principal risk factors that may affect the academy. Not all the factors are within the academy's control. Other factors besides those listed below may also adversely affect the academy.

1. Government funding

The academy has considerable reliance on continued government funding through the ESFA. There can be no assurance that government policy or practice will remain the same or that public funding will continue at the same levels or on the same terms.

This risk is mitigated in a number of ways:

- by ensuring the academy is rigorous in delivering high quality education and training; and
- considerable focus and investment being placed on maintaining and managing key relationships with the ESFA.

2. Maintain adequate funding of pension liabilities:

The financial statements report the share of the Local Government Pension Scheme deficit on the academy's balance sheet in line with the requirements of FRS102.

Fundraising

The academy trust works closely with the 'Friends of Monks' group, a group made up of parents/carers and staff from the academy. The group organised various fundraising events throughout the academic year for children and parents. These events include an Easter bingo evening, a summer fayre and a Christmas fayre. Funds raised from these various activities have been used to subsidise educational visits, Christmas activities for children and also a contribution towards the 'Monks Mile' path.

Parents/carers are kept informed via the weekly newsletter of any fundraising events, the amount of money raised and how it will be spent.

Plans for future periods

The board of trustees has the following priorities set for future development:

- To continually improve achievement and outcomes for children across the academy and day nursery. A large investment is being made by the academy over the next five years in a new phonics programme Read, Write, Ink (£7k).
- To continue to develop the leadership capacity across the academy with a particular focus on middle leadership.
- To ensure the high standards in behaviour and safety are maintained.
- To monitor the financial viability of the day nursery as the academy cannot continue to subsidise this setting.
- To reduce the number of agency staff used and to develop existing staff to fulfil their potential by investing in training for those who wish to progress.
- To continue to liaise with Cheshire East Children's Services and the Regional Schools Commissioner on the opportunity to develop a 7 place Resource Provision within the academy specifically for autistic children.
- To continue to build relationships with the aim of growing the multi academy trust.

ALEXANDRA ACADEMY TRUST

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

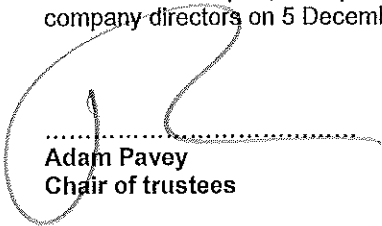

Auditor

Insofar as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Under Section 487(2) of the Companies Act 2006, Haines Watts will be deemed to have been appointed as auditors 28 days after these financial statements were sent to members or 28 days after the latest date prescribed for filing accounts with the registrar, whichever is earlier.

This trustees' report, incorporating a strategic report, was approved by order of the board of trustees, as the company directors on 5 December 2019 and signed on the board's behalf by:

.....
Adam Pavey
Chair of trustees

ALEXANDRA ACADEMY TRUST

GOVERNANCE STATEMENT

FOR THE YEAR ENDED 31 AUGUST 2019

Scope of responsibility

As trustees we acknowledge we have overall responsibility for ensuring that Alexandra Academy Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The board of trustees has delegated the day-to-day responsibility to the principal, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Alexandra Academy Trust and the Secretary of State for Education. They are also responsible for reporting to the board of Trustees any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the trustees' report and in the statement of trustees' responsibilities. The board of trustees has formally met three times during the period. The board has delegated powers to its three sub committees Behaviour & Safety, Leadership & Management and Teaching & Learning which met a total of nine times in the year.

Trustee	Meetings attended	Out of a possible

N Pierce	1	3
D Warr	3	3

The board of directors/trustees has supported the academy trust during the recent successful CIF bid for roof repairs. This project is due to be completed by March 2020. Trustees continue to monitor the impact of the onsite nursery provision in order to ensure long term financial viability and improvement in educational standards on entry to the academy. Trustees continue to review the structure of the board and its committees and also to annually review the Terms of Reference for each committee. A skills audit is completed and reviewed annually and informs future succession planning. Please see the academy website for the full impact statements.

The Leadership & Management Committee is a sub-committee of the main board of trustees. Its purpose is to:

- Effectively review and manage the finances of the academy (including staffing and pay awards) as well as the maintenance and development of the school buildings and grounds.
- To ensure robust financial probity through monitoring and challenge of financial procedures and reports.
- To receive all internal assurance reviews and to report any findings to the board of trustees.

Audit

The Alexandra Academy Trust does not have a separate Audit Committee. The board of directors/trustees collectively have the responsibility for audit.

ALEXANDRA ACADEMY TRUST

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

Review of value for money

As accounting officer, the principal has responsibility for ensuring that the academy trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the trust's use of its resources has provided good value for money during each academic year, and reports to the board of trustees where value for money can be improved, including the use of benchmarking data where appropriate. The accounting officer for the academy trust has delivered improved value for money during the year by:

- constantly reviewing contracts and supplies to ensure best value;
- benchmarking expenditure against similar size local schools/academies; and
- networking with other school leaders and sharing best practice.

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of academy trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Alexandra Academy Trust for the period 1 September 2018 to 31 August 2019 and up to the date of approval of the annual report and financial statements.

Capacity to handle risk

The board of trustees has reviewed the key risks to which the academy trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of trustees is of the view that there is a formal on-going process for identifying, evaluating and managing the academy trust's significant risks that has been in place for the period 1 September 2018 to 31 August 2019 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of trustees.

The risk and control framework

The academy trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of trustees;
- regular reviews by the Leadership & Management Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- delegation of authority and segregation of duties; and
- identification and management of risks.

The board of trustees has considered the need for a specific internal audit function and has decided:

- to appoint Haines Watts as internal auditor

The internal auditor's role includes giving advice on financial matters and performing a range of checks on the academy trust's financial systems. On a termly basis, the internal auditor reports to the board of directors through the Leadership & Management Committee on the operation of the systems of control and on the discharge of the directors' financial responsibilities.

The internal auditor has delivered their schedule of work as planned. No material control issues have been identified.

ALEXANDRA ACADEMY TRUST

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

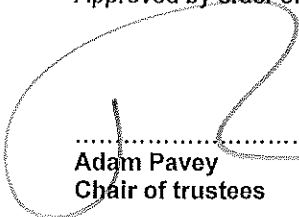

Review of effectiveness

As accounting officer, the principal has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditor;
- the work of the external auditor; and
- the work of the executive managers within the academy trust who have responsibility for the development and maintenance of the internal control framework

The accounting officer has been advised of the implications of the result of their review of the system of internal control by the Leadership & Management Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

Approved by order of the members of the board of directors onS/12/19..... and signed on its behalf by:

ALEXANDRA ACADEMY TRUST

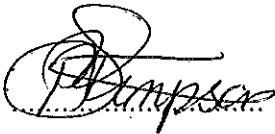

STATEMENT OF REGULARITY, PROPRIETY AND COMPLIANCE

FOR THE YEAR ENDED 31 AUGUST 2019

As accounting officer of Alexandra Academy Trust I have considered my responsibility to notify the academy trust board of trustees and the Education & Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the academy trust, under the funding agreement in place between the academy trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2018.

I confirm that I and the academy trust's board of trustees are able to identify any material irregular or improper use of funds by the academy trust, or material non-compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academies Financial Handbook 2018.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and ESFA.

Pamela Simpson
Accounting officer

Date 5/12/19

ALEXANDRA ACADEMY TRUST

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 AUGUST 2019

The trustees (who are also the directors of Alexandra Academy Trust for the purposes of company law) are responsible for preparing the trustees' report and the accounts in accordance with the Academies Accounts Direction 2018 to 2019 published by the Education & Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare accounts for each financial year. Under company law, the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period.

In preparing these accounts, the trustees are required to:

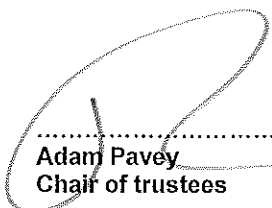

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2015 and the Academies Accounts Direction 2018 to 2019;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring that grants received from ESFA/DfE have been applied for the purposes intended.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of accounts may differ from legislation in other jurisdictions.

Approved by order of the members of the board of trustees on 5/12/19 and signed on its behalf by:

.....
Adam Pavey
Chair of trustees

ALEXANDRA ACADEMY TRUST

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ALEXANDRA ACADEMY TRUST

FOR THE YEAR ENDED 31 AUGUST 2019

Opinion

We have audited the accounts of Alexandra Academy Trust for the year ended 31 August 2019 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and the notes to the accounts, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice), the Charities SORP 2015 and the Academies Accounts Direction 2018 to 2019 issued by the Education & Skills Funding Agency.

In our opinion the accounts:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2019 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006; and
- have been prepared in accordance with the Charities SORP 2015 and the Academies Accounts Direction 2018 to 2019.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the accounts' section of our report. We are independent of the academy trust in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the accounts is not appropriate; or
- the trustees have not disclosed in the accounts any identified material uncertainties that may cast significant doubt about the academy trust's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the accounts are authorised for issue.

Other information

The trustees are responsible for the other information, which comprises the information included in the annual report other than the accounts and our auditor's report thereon. Our opinion on the accounts does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the accounts, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the accounts or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

ALEXANDRA ACADEMY TRUST

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ALEXANDRA ACADEMY TRUST (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report including the incorporated strategic report for the financial year for which the accounts are prepared is consistent with the accounts; and
- the trustees' report including the incorporated strategic report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the academy trust and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report, including the incorporated strategic report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the accounts are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the statement of trustees' responsibilities, the trustees are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the accounts, the trustees are responsible for assessing the academy trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the accounts

Our objectives are to obtain reasonable assurance about whether the accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these accounts.

A further description of our responsibilities for the audit of the accounts is located on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

ALEXANDRA ACADEMY TRUST

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ALEXANDRA ACADEMY TRUST (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

ALEXANDRA ACADEMY TRUST

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO ALEXANDRA ACADEMY TRUST AND THE EDUCATION & SKILLS FUNDING AGENCY (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

In accordance with the terms of our engagement letter dated 25 May 2016 and further to the requirements of the Education & Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2018 to 2019, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Alexandra Academy Trust during the period 1 September 2018 to 31 August 2019 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Alexandra Academy Trust and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to the Alexandra Academy Trust and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Alexandra Academy Trust and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Alexandra Academy Trust's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of Alexandra Academy Trust's funding agreement with the Secretary of State for Education dated 23 May 2016 and the Academies Financial Handbook, extant from 1 September 2018, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance, and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2018 to 2019. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period 1 September 2018 to 31 August 2019 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Academies Accounts Direction 2018 to 2019 issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy trust's income and expenditure.

ALEXANDRA ACADEMY TRUST

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO ALEXANDRA ACADEMY TRUST AND THE EDUCATION & SKILLS FUNDING AGENCY (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

The work undertaken to draw to our conclusion includes:

- We have confirmed that the activities conform to the academy trust's framework of authorities. As identified by review of minutes, management accounts, discussion with the accounting officer and other key management personnel.
- We have carried out an analytical review as part of the consideration of whether general activities of the academy trust are within the academy trust's framework of authorities.
- We have considered the evidence supporting the accounting officer's statement on regularity, propriety and compliance and have evaluated the general control environment of the academy trust and extended the procedures required for financial statements to include regularity.
- We have assessed and tested a sample of the specific control activities over regularity of a particular activity. In performing sample testing of expenditure, we have considered whether the activity is permissible within the academy trust's framework of authorities. We confirm that each item tested has been appropriately authorised in accordance with the academy trust's delegated authorities and that the internal delegations have been approved by the board of trustees, and conform to the limits set by the Department for Education.
- Formal representations have been obtained from the board of trustees and the accounting officer acknowledging their responsibilities including disclosing all non-compliance with laws and regulations specific to the authorising framework, access to accounting records, provision of information and explanations, and other matters where direct evidence is not available.
- In performing sample testing of expenditure, we have reviewed against specific terms of grant funding within the funding agreement. We have reviewed the list of suppliers and have considered whether supplies are from related parties and have reviewed minutes for evidence of declaration of interest, and whether or not there was involvement in the decision to order from this supplier.
- We have performed sample testing of other income and tested whether activities are permitted within the academy trust's charitable objects.

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1 September 2018 to 31 August 2019 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

ALEXANDRA ACADEMY TRUST

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 AUGUST 2019

1 Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation

The accounts of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2018 to 2019 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

Alexandra Academy Trust meets the definition of a public benefit entity under FRS 102.

1.2 Going concern

The trustees assess whether the use of going concern is appropriate, ie whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the academy trust to continue as a going concern. The trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the accounts and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy trust's ability to continue as a going concern. Thus they continue to adopt the going concern basis of accounting in preparing the accounts.

1.3 Basis of consolidation

These financial statements consolidate the results of the academy trust and its sole subsidiary undertaking, Monks Coppenhall Academy Day Nursery Limited. As a consolidated group statement of financial activities is published, a separate statement of financial activities for the parent company is omitted from the group financial statements by virtue of section 408 of the Companies Act 2006.

1.4 Income

All incoming resources are recognised when the academy trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

Grants

Grants are included in the statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the statement of financial activities in the period for which it is receivable, and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

ALEXANDRA ACADEMY TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

1 Accounting policies

Sponsorship income

Sponsorship income provided to the academy trust which amounts to a donation is recognised in the statement of financial activities in the period in which it is receivable (where there are no performance-related conditions), where the receipt is probable and it can be measured reliably.

Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

Other income

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the academy trust has provided the goods or services.

Donated goods, facilities and services

Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in stock and 'Income from other trading activities'. Upon sale, the value of the stock is charged against 'Income from other trading activities' and the proceeds are recognised as 'Income from other trading activities'. Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the accounts until they are sold. This income is recognised within 'Income from other trading activities'.

Donated fixed assets

Donated fixed assets are measured at fair value unless it is impractical to measure this reliably, in which case the cost of the item to the donor is used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the academy trust's accounting policies.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

All resources expended are inclusive of irrecoverable VAT.

Expenditure on raising funds

This includes all expenditure incurred by the academy trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Charitable activities

These are costs incurred on the academy trust's educational operations, including support costs and costs relating to the governance of the academy trust apportioned to charitable activities.

ALEXANDRA ACADEMY TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

1 Accounting policies

1.6 Tangible fixed assets and depreciation

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding that require the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the statement of financial activities and carried forward in the balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the statement of financial activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Land and buildings	land - nil, buildings 2% straight line
Leasehold improvements	2% straight line
Assets under construction	Nil
Computer equipment	33.33% straight line
Fixtures, fittings & equipment	20% straight line

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the statement of financial activities.

1.7 Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

1.8 Leased assets

Rentals payable under operating leases are charged on a straight line basis over the period of the lease.

1.9 Financial instruments

The academy trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy trust and their measurement basis are as follows.

Financial assets

Trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost. Prepayments are not financial instruments.

Cash at bank is classified as a basic financial instrument and is measured at face value.

ALEXANDRA ACADEMY TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

1 Accounting policies

Financial liabilities

Trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost. Taxation and social security are not included in the financial instruments disclosure definition.

Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

1.10 Taxation

The academy trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the academy trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.11 Pensions benefits

Retirement benefits to employees of the academy trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes and the assets are held separately from those of the academy trust.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the academy trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. The TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions are recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses. Actuarial gains and losses are recognised immediately in other recognised gains and losses.

Monks Coppenhall Academy Day Nursery Limited operates a defined contribution scheme for the benefit of its employees. Contributions payable are charged to the profit and loss account in the year they are payable.

1.12 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy trust at the discretion of the trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education.

ALEXANDRA ACADEMY TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

2 Critical accounting estimates and areas of judgement

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 20, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2016 has been used by the actuary in valuing the pensions liability at 31 August 2019. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

9 Staff

Staff costs (including nursery staff)

Staff costs during the year were:

	2019 £'000	2018 £'000
Wages and salaries	1,389	1,336
Social security costs	116	111
Pension costs	317	319
	<hr/>	<hr/>
Amounts paid to employees	1,822	1,766
Agency staff costs	165	44
	<hr/>	<hr/>
Amounts paid to staff	1,987	1,751
Staff development and other staff costs	69	16
	<hr/>	<hr/>
Total staff expenditure	2,056	1,826

Staff numbers

The average number of persons employed by the academy trust during the year was as follows:

	2019 Number	2018 Number
Teachers	16	14
Administration and support	42	40
Management	6	6
Nursery staff	8	4
	<hr/>	<hr/>
	72	64

Higher paid staff

The number of employees whose employee benefits (excluding employer pension costs) exceeded £60,000 was:

	2019 Number	2018 Number
£60,001 - £70,000	1	1
£70,001 - £80,000	1	1
	<hr/>	<hr/>

Key management personnel

The key management personnel of the academy trust comprise the trustees and the senior management team as listed on page 1. The total amount of employee benefits (including employer pension contributions) received by key management personnel for their services to the academy trust was £432,344 (2018; £415,551).

ALEXANDRA ACADEMY TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

10 Trustees' remuneration and expenses

One or more of the trustees has been paid remuneration or has received other benefits from an employment with the academy trust. The principal and other staff trustees only receive remuneration in respect of services they provide undertaking the roles of principal and staff members under their contracts of employment, and not in respect of their services as trustees. During the year ended 31 August 2018 and 31 August 2019, no expenses were reimbursed to trustees.

The value of trustees' remuneration and other benefits was as follows:

P Simpson (Headteacher)

Remuneration £70,001 - £75,000 (2018: £70,001 - £75,000)

Employer's pension contributions £10,001 - £15,000 (2018: £10,001 - £15,000)

Other related party transactions involving the trustees are set out within the related parties note.

11 Trustees and officers insurance

The academy trust has opted into the Department for Education's risk protection arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business, and provides cover up to £10,000,000. It is not possible to quantify the trustees and officers indemnity element from cost of the RPA scheme.

Total funds	<u>4,892</u>	<u>3,247</u>	<u>(2,856)</u>	<u>(295)</u>	<u>4,988</u>

The specific purposes for which the funds are to be applied are as follows:

Restricted general funds are those resources that have been designated by the grant provider in meeting the objectives of the academy and are restricted to both the day to day running of the academy and capital expenditure.

Restricted fixed asset funds are those funds relating to the long term assets of the academy used in delivering the objectives of the academy.

Unrestricted funds are those which the board of trustees may use in the pursuance of the academy's objectives and are expendable at the discretion of the trustees.

Unrestricted funds include Monks Coppenhall Academy Day Nursery in deficit by £22,000.

In an attempt to return this fund to a surplus, the nursery directors have agreed to increase the fees charged from September 2019 and charge for nursery meals. The directors have also extended the hours of provision in an attempt to increase occupancy.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

17 Funds - group

The transfer from General Annual Grant restricted general fund to restricted fixed asset funds and from other government grants restricted general fund to restricted fixed asset funds is to meet the cost of fixed asset additions for which there was no specific capital funding in the year.

Included in the balance of the restricted fixed asset fund at 31 August 2019 is unspent CIF funding of £474,000 which is carried forward to next year.

Under the funding agreement with the Secretary of State, the academy trust was not subject to a limit on the amount of GAG that it could carry forward at 31 August 2019.

Comparative information in respect of the preceding period is as follows:

	Balance at 1 September 2017 £'000	Income £'000	Expenditure £'000	Gains, losses and transfers £'000	Balance at 31 August 2018 £'000

20 Pension and similar obligations

The academy trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Cheshire West and Chester Council. Both are multi-employer defined benefit schemes.

The pension costs are assessed in accordance with the advice of independent qualified actuaries. The latest actuarial valuation of the TPS related to the period ended 31 March 2012, and that of the LGPS related to the period ended 31 March 2016.

Contributions amounting to £33,103 (2018: £34,935) were payable to the schemes at 31 August 2019 and are included within creditors.

Monks Coppenhall Academy Day Nursery Limited operates a defined contribution scheme for the benefit of its employees. Contributions payable are charged to the profit and loss account in the year that they are payable. Contributions amounting to £426 were payable to the scheme at 31 August 2019 and are included within creditors.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis - these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2012 and in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014. The valuation report was published by the Department for Education on 9 June 2014.

The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 16.48% of pensionable pay (including a 0.08% employer administration charge)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £191,500 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £176,600 million giving a notional past service deficit of £14,900 million
- an employer cost cap of 10.9% of pensionable pay will be applied to future valuations
- the assumed real rate of return is 3.0% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.75%. The assumed nominal rate of return is 5.06%

The TPS valuation for 2012 determined an employer rate of 16.4%, which was payable from September 2015. The next valuation of the TPS is currently underway based on April 2016 data, whereupon the employer contribution rate is expected to be reassessed and will be payable from 1 September 2019.

The employer's pension costs paid to the TPS in the period amounted to £115,473 (2018: £113,848).

ALEXANDRA ACADEMY TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

20 Pension and similar obligations

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The academy trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined-benefit scheme, with the assets held in separate trustee-administered funds. The total contributions are as noted below. The agreed contribution rates for future years are 26.8% for employers and 5.5-12.5% for employees. The estimated value of employer contributions for the forthcoming year is £185,000.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

Total contributions made	2019	2018
	£'000	£'000
Employer's contributions	180	159
Employees' contributions	34	32
Total contributions	214	191
Principal actuarial assumptions	2019	2018
	%	%
Rate of increase in salaries	2.6	2.6
Rate of increase for pensions in payment/inflation	2.3	2.3
Discount rate for scheme liabilities	1.9	2.8

The current mortality assumptions include sufficient allowance for future improvements in mortality rates. The assumed life expectations on retirement age 65 are:

	2019	2018
	Years	Years
Retiring today		
- Males	21.2	22.3
- Females	23.5	24.5
Retiring in 20 years		
- Males	22.2	23.9
- Females	25.0	26.5

FOR THE YEAR ENDED 31 AUGUST 2019

23 Capital commitments

	2019 £000	2018 £000
Expenditure contracted for but not provided in the accounts	503	29

Expenditure of £502,763 was committed to as at 31 August 2019 for works to renew defective roofs. The total cost of the works will be £533,400 and will be funded by an ESFA CIF grant of £503,835 and £29,565 Salix loan. £30,637 of expenditure has been incurred and recognised in the accounts in the year ended 31 August 2019.

22 Related party transactions

Owing to the nature of the academy trust's operations and the composition of the board of trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the academy trust has an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the academy trust's financial regulations and normal procurement procedures.

T Hadzik, daughter of P Simpson, head teacher and trustee, is employed by the academy trust as a teaching assistant. T Hadzik's appointment was made in open competition and P Simpson was not involved in the decision making process regarding appointment. T Hadzik is paid within the normal pay scale for her role and receives no special treatment as a result of her relationship to a trustee/head teacher.

C Warr, wife of D Warr, trustee, is employed by the academy trust as a PA to the Principal. C Warr's appointment was made many years before D Warr was appointed as a trustee. C Warr is paid within the normal pay scale for her role and receives no special treatment as a result of her relationship to a trustee.

K Fairbairn, wife of G Fairbairn, trustee, is employed by the academy trust as a SEND teaching assistant. G Fairbairn was not involved in this appointment. K Fairbairn is paid within the normal pay scale for her role and receives no special treatment as a result of her relationship to a trustee.

M Malam, daughter in law of D Malam, trustee, is employed by the academy trust as a speech and language therapist. D Malam was not involved in this appointment. M Malam is paid within the normal pay scale for her role and receives no special treatment as a result of her relationship to a trustee.

At the balance sheet date £25,981 was owed to the Alexandra Academy Trust by Monks Coppenhall Academy Day Nursery Limited (2018 - £21,243 owed by the academy).

23 Members' liability

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he or she is a member, or within one year after he or she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he or she ceases to be a member.
