Question 16 where the response is the lowest, 18% of respondents said they did not know if the website informs them about the school. The website is being regularly updated but we do appreciate your comments on how we can improve this service. Please follow the link below: www.monkscoppenhall.cheshire.sch.uk

May I take this opportunity to thank you for sparing a few moments to respond to this questionnaire? We had 138 replies which is wonderful and helps us to see what we still need to do in order to support our families more.

A few replies stated they would like more information regarding the progress their child is making. The school is aware of this and looking into how this can be improved.
