There has been numerous complaints from residents regarding parking outside of school during drop off and collection times. Cheshire East Parking Enforcement have been made aware and will be completing spots checks over the coming weeks.

A number of children and adults have been witnessed not using the pedestrian crossing. Can we please remind everyone about road safety and ask all adults to set a good example to our children.

### ATTENDANCE

Can we please remind parents/carers that children must arrive at school promptly. If your child is not in school for whatever reason, please contact the Academy office to make us aware. ## YOUNG CARERS

Ceri Morgan from Young Carers visited school this week to deliver an assembly with Year 1 and Year 2 children, and workshops with Year 3 - 6.

A young carer is a child aged between 6 – 18 years who has a caring responsibility for a loved one they live with. Their caring responsibility will often be supporting a parent or sibling who has an impairment such as a physical disability, mental health issues, substance misuse problems and / or other limiting conditions including terminal illness. Young carers are often isolated and encounter more barriers when trying to achieve positive things throughout their childhood.

Do you know a young carer who you think could benefit from support or services? If so, please contact school or make a referral using the following link:
