FRIDAY 8TH OCTOBER 2021 MRS SIMPSON — PRINCIPAL

COVID 19 UPDATE - LATEST CHESHIRE EAST GUIDANCE -FRIDAY 8TH OCTOBER

Pupils who are household contacts of a positive COVID case are advised to stay at home for 5 days, limit social contact and get a PCR test before coming back to school. It is also advised that pupils take daily Lateral Flow Tests on their return to school for the remainder of the 10 day period.

KRIZEVAC PROJECT - We are excited to announce that we are working with the Krizevac Project which is building two new schools in Malawi. We have donated lots of educational supplies such as furniture, books and learning equipment. We look forward to seeing pictures of this in the new schools. I am sure you will agree this is an excellent way to recycle old furniture.

ATTENDANCE CHAMPIONS

Our Attendance Champions for the week-ending 8th October were:

EARLY HELP AWARDS

We are very proud to announce that our Family Support Worker, Mrs Baker, has been shortlisted for the Early Help Diamond Award.

The Early Help awards aim to recognise and celebrate individuals and organisations who support children and families early, preventing them from going into crisis.

The council has also enlisted the help of children and young people who have named the first ceremony 'The Diamond Awards' with the word 'diamond' standing for individuals/organisations who are:

- Dedicated
- Inspiring
- Above and Beyond
- Make a difference
- One in a Million
- Never give up
- Develop relationships

EMERALD APP - ALERT

Serious concerns have been raised with the popular chat app called Emerald. The app claims that you can 'meet friends from around the world at the click of a button'. A simple registration process asks users to confirm they are 18 or above and then enables them to access thousands of people from around the world.

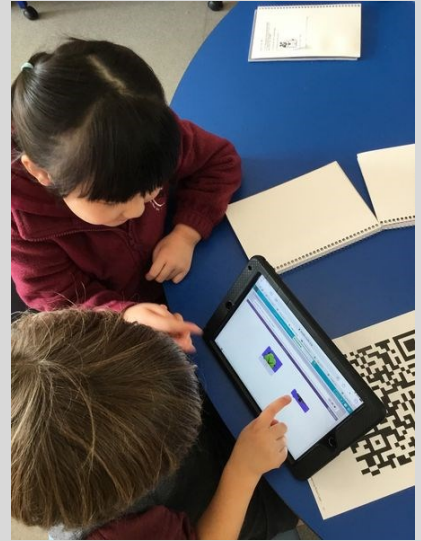

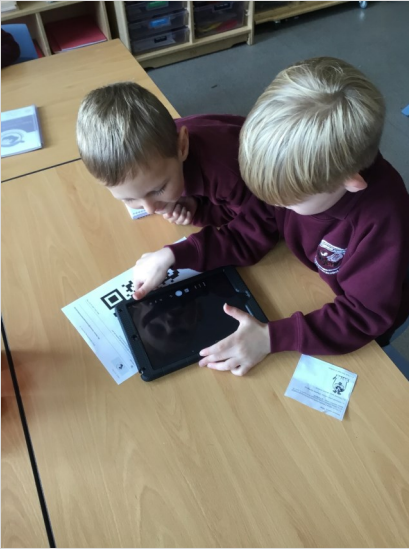

As the purpose of the site is to connect users with random strangers around the world, young people would be at risk of unwanted or inappropriate contact. There is also the potential for users to see inappropriate and illegal content.

This site is not suitable for anyone under the age of 18 and we would advise parents to apply appropriate age restrictions to broadband and devices to prevent access.

CODE STUDIO YEAR 1

We certainly have some technology-whizzes in Year 1! This afternoon, Miss Davies' class have been fantastic learners using Code Studio! The children worked very well together to scan QR codes, enter their details and then complete lots of puzzles.

BLACK HISTORY MONTH

This afternoon Mr Williams and Mrs Kelly's Year 4 classes have been drawing portraits of Rosa Parks as part of their Black History Month studies. They are looking forward to finding out why she was such an important figure next week. Children across all year groups are learning about different aspects of Black History in the month of October. **#blackhistorymonth**
