FRIDAY 12TH NOVEMBER 2021 MRS SIMPSON — PRINCIPAL

REMEMBRANCE DAY 2021

To show our respect to the members of the Armed Forces who have lost their lives or been injured whilst serving our country, the children's council led us in a beautiful Remembrance Service on Thursday. The children wrote and read poems and prayers, observed the two minutes silence and laid a wreath in our tranquil garden. #LestWeForget #WeWillRememberThem

The whole school and Trustees of the Multi-Academy Trust attended the service. The trustees commented on the exemplary behaviour and respect that the children displayed. We are very proud of all of the children. We have raised a total of £578.22 for the Royal British Legion. Well done everyone!

ODD SOCKS DAY

In support of Anti-Bullying Week, we will be wearing odd socks on Monday 15th November. Let's see who has the craziest socks!

Our theme for this year is 'One Kind Word'. During the week, the children will be participating in activities relating to anti-bullying.

We're wearing **ODD SOCKS**
for Anti-Bullying Week. Will you?

WORLD KINDNESS DAY

People across the world will be celebrating World Kindness Day on 13th November. On this day, participants attempt to make the world a better place by celebrating and promoting good deeds and pledging acts of kindness, either as individuals or as organisations. Here are some ideas..

7 WAYS TO START MAKING KINDNESS THE NORM IN YOUR DAILY LIFE:

- 1 Send an uplifting text to a friend or family member.
- 2 Let that guy merge into traffic with a wave and a smile.
- 3 Include intentional moments of kindness, laughter and delight in your daily routine.
- 4 Go *slightly* outside of our comfort zone at least once a day to make someone smile.
- 5 Share a compliment with a co-worker or friend.
- 6 Reach out to a family member you haven't spoken to in awhile.
- 7 Treat someone to a cup of coffee (a friend or even yourself).

make kindness the norm.

COP26

In this week's assembly we discussed climate change, including its causes and effect on the environment. The children in Key Stage Two learned about COP26 and the reason why leaders across the world have met in Glasgow during the last two weeks. Some children from each class have written promises to the planet and promises that they want world leaders to make. Please see two excellent examples from Mr Twigg's class.

YEAR 3 SCIENCE

Miss Ashley's class has been conducting a range of experiments to investigate different types of rocks.
