RECEPTION - EXPLORING SCIENCE

The Reception children have been exploring changes of state by observing how ice melts over time. They have frozen their “mini me's” and watched them as they melt in different places around the environment.

MARVEL THEMED LUNCH

On Thursday, the children had a surprise visit from Spiderman during their Marvel-themed lunch for Census Day.

NHS FOOD SCANNER APP

The NHS Food Scanner app provides handy advice to make it easier for families to find healthier food and drink options. There are lots of resources within the app to encourage young people to explore what is in their food and make healthier choices. These are linked to the core subjects of Maths, English, and Science.

The resources can be accessed via <https://campaignresources.phe.gov.uk/schools/topics/healthy-eating/overview>

ABLE WRITERS DAY

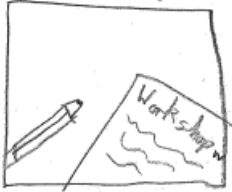

Award winning children's author William Gallagher joined us in school last week to work with our most able writers in a fun and inspiring workshop. William Gallagher is the author of the Doctor Who radio dramas. He is also a journalist who has been a columnist on BBC News Online and whose work has appeared in the Los Angeles Times and The Independent.

The children thoroughly enjoyed the workshop and produced some excellent pieces of writing which can now be seen below.

WORKSHOP WITH MR GALLAGHER

Yesterday, Able writers day took place in Monk's Coppenshall Academy, with William Gallagher. With a variety of children from different schools on 14th January 2022. They had been learning about each other and different types of writing.

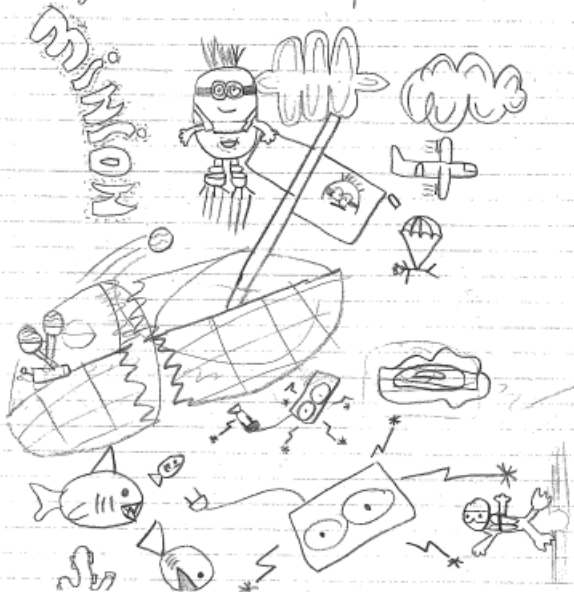

Poseidon was a Greek God out of many, Poseidon was the god of the sea. Hermes was named after Mercury. Ouranos was named after Saturn. It was known since other 400 years ago. They are all named after planets. Ares named after Mars.

It's a terrible idea and I don't want to go
 - This rollercoaster is my biggest foe,
 I don't even want to try,
 It's gonna make my brothers cry
 But you've persuaded me to go on it
 I don't think that this will fit
 My brothers will probably cry like in pain
 That was so brilliant *
 That was so brilliant, I can't wait to go again!

I have told a story about a lie, but that was along time ago, in about 2 years ago no one has found out. I know it's wrong to lie, until know... my mum found out I minute ago, by checking the cameras in my house she caught me eating biscuits in the evening. She said I would not go on my XBOX for a month, no pocket money for a year and if she catches me lying again I will be grounded. I am writing from my bedroom in the dark... I've been grounded but I will escape...

I have a lie my lie is that I tell the truth my family don't know that my lie is a lie and all I do is tell the truth. My mum and dad are my best friends I tell them everything but sometimes its not always true.

To make people laugh I might tell the truth but something they don't know is that its not always true. Yesterday 3:00pm I had a message not a normal message, a strange message that said "Hi, someone has been telling lies and I can't quite work out who." My heart sunk I felt I had to say but I couldn't I told myself I have to stay.

The next day, I met up with my best friend her name is Febee she knows about my lie but she hasn't told anyone. I had a chat to her and she told me to be careful someone could get me into huge trouble, very big trouble. It was a Sunday night and I couldn't sleep. The next day, I had school I was so tired I could hardly open my eyes. I looked at my phone and I was losing followers and likes all I was getting was hate comments. I knew they found out something was going on. My lie ended. I knew I was in trouble.
