Principal: Mr C Leech BA (Hons), NPQH

April, 2024

The Governors of Monks Coppenhall Academy seek to appoint an outstanding, enthusiastic, and self-motivated class teacher from September 2024. This rare opportunity to join our successful school would be ideal for a recently qualified teacher who is looking to develop their skills. This is a temporary position for one academic year in the first instance. The position may be made permanent dependant on pupil numbers.

Monks Coppenhall Academy is a large three form entry primary academy with a 42 place nursery and a 7 place resource provision. Due to our size, we can be flexible in terms of year group on offer in either key stage one or key stage two. Moreover, we also have flexibility in which subject leadership team you could join. We therefore ask candidates to state their curriculum strengths, interests and areas of expertise.

The successful candidate will work under the guidance of a class teacher mentor and the supervision of a member of the leadership team. As a forward-thinking academy, we are always looking at succession planning and opportunities to support continuous professional development are given the highest priority. We are looking for a reflective practitioner who is ready to develop their career and make a positive contribution to the development of our academy as a whole. Could this be you?

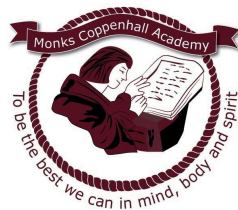

The successful candidate must: -

- Have a track record of excellence in their classroom practice;
- Have ambition, drive and a passion for learning;
- Promote and lead high expectations of learning, achievement and behaviour through positive classroom management;
- Be highly motivated and committed to working as part of a team;
- Be able to provide exciting and stimulating learning opportunities for all children;
- Demonstrate an excellent understanding of the National Curriculum;
- Demonstrate a strong commitment to parental and community involvement;
- Have good sense of humour and a hardworking ethos.

In return we can offer: -

- A very supportive, caring team;
- A happy school community where respect and wellbeing are at the heart of everything we do;
- Excellent opportunities for training and professional development;
- Talented Governors and Trustees, who know the school well and are fully supportive of work life balance;
- Access to a comprehensive Employee Assistance Programme (counselling services, GP anytime, musculoskeletal services);
- Eye care vouchers;
- Discounted gym membership;
- Free annual flu jab.

Our school is committed to safeguarding and promoting the welfare of children and requires all staff and volunteers to share this commitment. References will be taken up for all shortlisted candidates prior to the interview. The successful applicant will be required to undergo an Enhanced DBS Disclosure and Barring Service Check, along with other relevant employment checks.
